Dear Parents, Guardians, and Friends:

The school is off to an excellent start. It was great to see so many of you at the Open House on August 28. We know that a lot of information was delivered that evening, so please feel free to contact your child's teacher if you have any questions about the information you received.

The students, staff & PTO wish to share three items of interest--bus rider count, testing results and PTO.

1. It is time, once again, for the annual bus rider count. Every year North Carolina school systems are required to count the number of bus riders during a designated week. These numbers determine the state's transportation funding for the coming school year. Yancey County Schools ask that all students who anticipate using bus service at some time during the school year ride the bus when possible during the week of September 24-28. Thank you for your support during the annual rider count week.
2. We are so proud of our 3rd, 4th & 5th End-of Grade testing results for the 2006-07 year. Our school was the only elementary school in the county to make the recognition of School of Distinction with High Growth. Students, staff and parents worked hard to accomplish this honor.
3. The PTO will be meeting this Thursday at 6:00 P.M. in the school library. Please try to attend the first meeting of this school term.

Sincerely yours,

Doris Deyton
